

# RESALE AGREEMENT

To ensure we can continue offering high quality competition leotards for sale, it is vital that any resale of items purchased from us goes through our website. This simply means that when you/your club no longer require the leotards they must be sold either direct to us or to a new home via the 'For Sale' page.

---

## Club / Coach Agreement

- Must be purchased for the benefit of the whole club
- Can be used within the club by as many partnerships as necessary
- Can be used multiple times at the same event

If no longer needed within the club, please contact us via [hello@derivativeleotards.co.uk](mailto:hello@derivativeleotards.co.uk) to discuss the sale. A sale via Facebook groups, private contacts, or any similar method is not permitted.

---

## Parent Agreement

- Use for 1 partnership only
- Can be used for multiple routines e.g. Balance & Dynamic
- If the partnership changes, we must be notified (so gymnast names can be updated)

If no longer needed by the partnership, please contact us via [hello@derivativeleotards.co.uk](mailto:hello@derivativeleotards.co.uk) to discuss the sale. A sale via Facebook groups, private contacts, or similar method is not permitted.

If another partnership within your club is interested in purchasing, we must be contacted to have a new resale agreement signed in their name before the sale goes ahead.
