Acrobatic Gymnastics – Crystal Size

“British Gymnastics have now confirmed that the FIG rule regarding the size of diamantes on leotards (10mm diameter) will be phased in this cycle (2025-2028) for NDP and FIG National Events. The Technical Committee will not penalise the gymnasts this cycle.

Gymnasts competing internationally (outside of the UK) need to be aware that if they have leotards with diamantes bigger than 10mm they can be deducted.”

We now provide the crystal size of all hire leotards on our website. If you require a leotard with crystals 10mm or under, please ensure you book one which confirms this size on the product page. We will not be able to change crystals without prior discussion.

Any cancellations due to crystal size will follow our Cancellation, Return & Refund Policy. No refund can be provided for leotards worn in competition that result in deduction.

Return Information

You will receive a copy of the hire document(s) via email and/or with your items when they arrive. This includes all the necessary information about when and how to return the items.

Do not wash the items before returning them (this will be done for you upon their return to us).

The customer must return items as delivered using the appropriate service and packaging securely sealed. If items are not returned within 24 hours of the hire end date and not withstanding courier delays, the hirer will be charged accordingly. *Please see ‘Surcharges’ section for more information.*

Loss or Damage

The customer is responsible for the safe keeping of items throughout the hire. Items must be returned in the condition in which they were received and in functional working order. In the event of loss or damage, please contact us immediately.

To minimise the risk of loss/damage, we strongly recommend the following:

- Items are not washed before returning (this is done for you upon their return)
- Do not wear the items for longer than is required
- Ensure items are well kept, in a leotard bag or case when not in use
- Do not consume food or drink (other than water) with competition leotards on

If items [arrive damaged from the courier](#) and we establish that nothing can be done to rectify the existing items, we will attempt to redeliver a replacement where possible.

[If you damage the items during your hire](#), a preliminary quotation for repair/replacement will be obtained. Depending on the severity, cost for repair or replacement will need to be covered by the customer. See 'Surcharges' section for more information. We understand that leotards may, overtime, pick up the odd fault such as crystals falling off or threads coming undone. However, major faults and obvious neglect will be treated as damage.

In the event of any [loss or theft](#), the incident must be reported to the police immediately and a crime reference number obtained. If the leotards are [lost during a flight](#), you should report upon arrival at the airport. You may receive a Property Irregularity Report (PIR). You will also need to put in a written claim to the airline within seven day and send Derivative Leotards proof of this.

Derivative Leotards will investigate all losses of whatever value thoroughly. Please note you will remain liable up to the full value of the items and we will take whatever action necessary to recover these costs. The hirer shall also be liable for loss of rental income resulting from such loss for the period it takes to effect repairs, up to and including the replacement value of the items.

Surcharges

By receiving the leotards, you agree to the following charges if terms are not adhered to correctly:

- £5.00 per leotard per day items remain unreturned to the Company (after the hire end date)
- £10.00 per leotard if returned incorrectly – to an address not stated on the hire agreement, or using an incorrect courier service

- £5.00 per fault for minor damage - stains or wear that requires additional treatment

Loss or major damage will be assessed and calculated up the full value of the complete leotard set.
